

This year, SIDS Resources, Inc. is acknowledging their 40<sup>th</sup> anniversary and will be recognizing it throughout the year. While we do so with some sense of loss, realizing that we are not celebrating the fact that our services have been needed for so long, we still are hopeful and look toward a future when our services will *not* be needed. In that hope, we are implementing the “Caring Companions” monthly donor program this February. Please consider helping us acknowledge our services over the past 40 years, thinking of the numerous families who have been affected by SIDS and helped by SIDS Resources. You may assist us to recognize this milestone by becoming a Caring Companion. Here are the details:

- You choose your monthly donation amount
  - .25 per each year of our existence = \$10.00 per month
  - .50 per each year of our existence = \$20.00 per month
  - 1.00 per each year of our existence = \$40.00 per month
- You choose your method of donating
  - Electronic transfers can be set up to make it easy for you to donate
  - We can mail you 12 pre-addressed & pre-stamped envelopes
  - Credit cards will be accepted
- Charter members will receive a welcome kit including “forget me not” seeds and a Caring Companion refrigerator magnet to thank you for being such a LOYAL donor.

Why should you join this program? Becoming a Caring Companion will allow SIDS Resources to continue providing services to those in need. You can help us ~ help others! Whether a pregnant woman can't afford an appropriate and safe place for her infant to sleep, a daycare facility is in need of safe sleep training for their staff, or sadly, a family needs grief support, your monthly donation helps us to meet those needs.

How to join? Please contact Dawn Casey, Administration Coordinator at SIDS Resources, Inc. at 314-241-7437 or [dcasey@sidsresources.org](mailto:dcasey@sidsresources.org) and she will be happy to enroll you as a Caring Companion. You can also join on our website [www.sidsresources.org](http://www.sidsresources.org) and click the Caring Companions Banner.
